

Pay Pool Administrator Advisory

2015-04

Issue Date: October 15, 2015

Topic: Sub-Panel Meeting Spreadsheet 2015 v2 Posted in Pay Pool Notices

Discussion: Version 2 of the Sub-Panel Spreadsheet has been released. This version fixes incorrect Expected Overall Contribution Scores (OCS) for employees on retained pay.

Action: Use the updated Sub-Panel Meeting v2 found in Pay Pool Notices to facilitate sub-panel deliberations. Version 1 has been deleted from Pay Pool Notices. Do a round-trip in CAS2Net to use the updated spreadsheet if your pay pool has already met so you do not lose any data/scores.
