Topic: CMS Spreadsheet Updated and Posted to Pay Pool Notices in CAS2Net

Discussion: It was reported that the CMS Spreadsheet needed and CSRA has corrected the following:

1. Cell C15 identifies "2016 Appraisal Detail" - should be "2017"
2. Cell C33 identifies "2017 Expected Contribution Level" - should be "2018"

The updated CMS spreadsheet has now been posted in CAS2Net Pay Pool Notice section for use
