

Pay Pool Administrator Advisory

2017-7

Issue Date: April 25, 2017

Topic: ALTESS Oracle Maintenance will Impact your CAS2Net Session

Discussion: The ALTESS Service Desk has scheduled Oracle maintenance on Tuesday May 2, 2017 from 8PM (2000) EST to 10PM (2200) EST. This will enable CAS2Net to operate at peak performance as well as comply with the most updated security measures as well as deliver a cost effective and sustained level of availability.

Note: Users will see “page could not be found” – type errors as the application server will be unable to call the database for dynamically generated pages. If you have any questions, please email La Tosha Headley at latosha.headley@hci.mil
