

## *Pay Pool Administrator Advisory*

2018-15

**Issue Date: 2 November 2018**

**Topic:** CAS2Net Monthly Maintenance Window (MMW) System Notification

**Discussion:** CAS2Net system maintenance is scheduled for Saturday, November 3, 2018, 8:00AM to 5:00PM (1700) EST. Please note this does not mean the system will be unavailable through the entirety of the MMW. This is part of the monthly maintenance window to implement patches and security fixes for all systems, so unfortunately this session maintenance cannot be changed. MMWs enable CAS2Net to operate at peak performance as well as comply with the most updated security measures as well as deliver a cost effective and sustained level of availability.

**Action:** Please inform your staff of the upcoming CAS2Net outage.

**Note:** If you have any questions please email the AcqDemo Program Office, [AcqDemo.Contact@hci.mil](mailto:AcqDemo.Contact@hci.mil).
