

CAS2Net Administrator Advisory

2021-23

Issue Date: 17 November 2021

Topic: New Discrepancy Report Posted 16 November 2021

Discussion: The Discrepancy Report scheduled for 10 November 2021 was not posted to CAS2Net due to resource conflicts at ALTESS. The AcqDemo Program Office ran a new Discrepancy Report that includes automatic updates from the most recent DCPDS export received on 10 November 2021. The job ran in the evening on 16 November, to update CAS2Net with DCPDS data and identify errors and warnings.

NOTE: You will NOT receive a Pay Pool notification for the report posted on 16 November.

Action: Access and review the Discrepancy Report.

Note: If you have any questions or experience any issues related to the above notice; please email the AcqDemo Program Office, AcqDemo.Contact@hci.mil.
